Subject: Freedom of Information Act Request No. 2019-IGFO-00171
Final Response

Dear Ms. Best:

This is the final response letter to your Freedom of Information Act (FOIA) request to the Department of Homeland Security (DHS) Office of Inspector General (OIG), dated, June 6, 2019 seeking records on the following: copies of records mentioning or describing audits, reviews, investigations or reports regarding the agency's cyber security, including audits or investigations regarding the state of the agency's cyber security regarding potential attacks as well as audits and investigations conducted in the wake of a suspected or actual cyber attack, hacking incident or breach. The timeframe for the request is January 1, 1996 through June 30, 2016. For your information the DHS OIG was created in 2003 therefore, this office would only have records from 2003 through 2016.

On June 10, 2019, DHS OIG issued an acknowledgment letter for the above referenced request via email.

On June 11, 2019, Gina Goldblatt, Government Information Specialist sent you an email seeking additional clarification on your request and to date this office has not received a response.

As such, because DHS OIG has not received a response to the June 11, 2019 email we are administratively closing the case.

If you have any questions about this response, please contact us at 202-981-6100.

Sincerely,

Gina Goldblatt
